Welcome, Weyt-k, to Learning Without Walls.

We acknowledge that the Thompson Rivers University campuses are on the traditional lands of the Tk'emlúps te Secwépemc (Kamloops campus) and the T'exelc (Williams Lake campus) within the unceded traditional lands of Secwepemc'u'cw (Secwepemc Nation). We are grateful for the Secwepemc Nation's generosity and hospitality while we live, learn and work in their territory.

The screenshot shows the TRU Moodle interface. At the top, there is a navigation bar with the TRU logo, 'TRU Moodle', 'English (en)', a search bar, and a user profile for 'Nicole Singular'. The main content area features a large banner with the title 'COVID-19 and Keeping Our Community Safe'. Below the banner, there is a paragraph of text explaining the situation and a link to learn more. A video player is embedded, showing a video titled 'COVID-19: Returning to campus'. Below the video, there is a graphic titled 'Stay safe on campus' with three icons: 'Wipe down surfaces after use', 'Stay 2 metres away from others', and 'Keep right in hallways and stairwells'. At the bottom, there is a section titled 'Before your first visit to campus' with a paragraph of text and a link to get started on training courses.

COVID-19 and Keeping Our Community Safe

Due to COVID-19, and for the safety of students and faculty, the majority of courses scheduled for this fall will be delivered in alternate formats. However, we know that there are some courses that will be offered on campus and we want to reassure you that your safety is our number one priority.

Learn more below about your individual responsibilities and what changes have taken place to ensure the safety of yourself and our TRU community.

COVID-19: Returning to campus

Stay safe on campus

- Wipe down** surfaces after use
- Stay 2 metres** away from others
- Keep right** in hallways and stairwells

Before your first visit to campus

Before you set foot on campus this fall, you are required to take three mandatory training courses. Every person coming to campus (students, faculty and staff) must have this safety training in advance as part of the safety plan TRU must follow in order to bring people back to campus.

Get started on these courses now by clicking on the course name below. The enrolment key and approximate time to complete are as follows:
