VizEd

Feb. 21, 2017 (Tuesday) @ [SFU Harbour Centre](#), Vancouver, B.C.

[Registration is open](#) – space is limited! Get your Early Bird rate now!

Have you ever noticed that moment when people are talking about something, then they whip out a pen and start sketching? Or when a conversation breaks open because someone goes to the whiteboard and draws something?

Join us for a one day, hands-on, full-on day of exploring the opportunities and practices of bringing hand made visuals into our teaching and learning. (P.S. “handmade” can mean electronic too!)

Coming up Open Access Week!

Next week is Open Access Week, Oct. 24-30! Open Access week is a global event now entering its eighth year, is an opportunity for the academic and research community to continue to learn about the potential benefits of Open Access, to share what they've learned with colleagues, and to help inspire wider participation in helping to make Open Access a new norm in scholarship and research.

Find out what's happening at your campus by checking out listings in the [BCcampus Calendar](#).
